### 1). [Baby Light Clip](#)

Baby Light & Clip keeps baby's fingers protected by illuminating under the child's fingernail, revealing where to safely clip. It also utilizes Safety Guards to protect the child's fingertip from entering into clipper blades. Baby Light & Clip is also convenient and easy to use for parents, as it provides a Clipping Tray to avoid messy clean ups, a Comfort Control Handle for easy holding and maneuvering and a Travel Case for parents on the go. Perfect for air and car trips and travel situations of all kinds. \$14.95 at: [www.babylightandclip.com](http://www.babylightandclip.com), 800-701-8210 and at retail stores throughout North America.
